

## Photography and video information and consent form

This information explains the reasons why and how **the school** and **the sponsor\*** may take and use photographs and videos of your child. Please read the information thoroughly and outline your agreement as appropriate by completing the consent form on pages 2 and 3.

### **Why do we need your consent?**

We request consent to take and use photographs and videos for a variety of different purposes. Without consent, we will not take and use photographs and videos of your child. If your child is over the age of 12 and considered to have the capacity to understand the decision they are making, we will obtain consent directly from them.

### **Why do we take and use photographs and videos of your child?**

We use photographs and videos of pupils as part of school displays to celebrate school life and pupils' achievements; to promote on social media, websites; and for other publicity purposes in printed publications, such as newspapers and journals.

Where we use images of individual pupils, the full name of the pupil **will not** be displayed and not used in such a way that the pupil can be identified, unless permission is sought and given. However, a first name may be used if appropriate to do so.

### **Who else takes and uses images and videos of your child?**

It is common for the school to be visited by local media/press and other approved organisations, who take photographs or videos of school events, such as sports days. Pupils will appear in these images and videos, and these may be published in local or national newspapers, social media or websites. Additional consent will need to be sought by these organisations.

### **What are the conditions of use?**

- This consent form is valid for the current academic year.
- The photographs and videos taken are stored securely and when they are no longer required, they are disposed of safely and securely.
- Consent can be withdrawn at any point, in writing.
- We will not use the personal details or full names of any pupil in any photograph or video, on websites, social media, in prospectuses or any other printed publications, unless additional consent is given.
- We will not include personal emails or postal addresses on photographs or videos, on our websites, social media or printed publications.
- We may use pictures/work created by pupils on display boards inside and/or outside of school e.g. in the local supermarket.
- We may use group or class photographs or videos with general labels, e.g. 'sports day'.
- We may use individual or group photographs and videos taken on school trips/visits if consent is given on the consent form. We will not ask again prior to a trip or visit.
- We will only use photographs and videos of pupils who are suitably dressed.
- We will take class images of your child which are available to purchase annually (if applicable).

- Changes to a pupil’s circumstances, e.g. safeguarding requirements mean a pupil’s photograph cannot be used.
- Changes to consent, e.g. amending the provisions for which consent has been provided.

Where you would like to amend the provisions for which consent has been provided, you must submit your request in writing to the **principal via the school office**. A new form will be supplied to you to amend your consent accordingly and provide a date and signature.

### Withdrawing your consent

You have the right to withdraw your consent at any time. Withdrawing your consent will not affect the legality of processing images or videos that were shared prior to withdrawal; however, we will make every effort to remove images of the pupil where possible, e.g. images of the pupil on the school’s website will be removed. If you would like to withdraw your consent, you must submit your request in writing to the **principal via the school office**.
